

Road Rally Rules and Regulations

1. Please follow all traffic regulations, wear your seat belts and do not speed!!
2. Your team will be given an official start time at check in once you receive your task list. There is a two hour limit for this event. If your team does not return before that two hour limit as expired from your official start time it will be disqualified from winning prizes.
3. Each task on your list is worth points. All teams have the same list. The team that returns within the two hour limit with the most points wins.
4. The task list can be completed in any order that you choose.
5. The entire team needs to be involved. There must be at least one photo that includes EVERY team member. The rest of the team photos can be missing the person who is taking the pictures.
6. All task lists must be completed and returned to the building by 9pm regardless of your start time in order to qualify for prizes.
7. The three teams that earn the most points will be awarded prize money provided by our sponsor according to their finish.
